

Cornerstone Clothing Bank Etc

"RULES"

In fairness to all, these rules must be followed.

Visits to the Clothing Bank are limited to once per calendar month to get items for use by **your family only**. **Only** clients shopping are allowed in the Clothing Bank Etc. unless handicapped, needing assistance. Please be considerate of others that depend on our clothing bank for necessities. So we ask that you don't take all of one size or item group. (Example: no more than 2 or 3 pair of pants of the same size).

Please bring clothes **on their hangers** to the desk. Put the hangers in the bucket at the desk. We will then enter your name and item count into the computer. All your items must fit in the **ONE BAG** that we provide and **tie**, excluding Housewares, Toys & Books, which are recorded at the Houseware department desk.

Please help us keep the area neat while shopping.

We volunteers thank you for your cooperation.
